**Spiritual Gifts Questionnaire**

Name \_\_\_\_\_ Date \_\_\_\_\_

Place either a 1, 2, 3, 4, or 5 on the line preceding each of the statements. You should answer according to how strongly you identify with that statement for your own life and to what extent it describes you. A “1” means you have very little sense of identification. A “5” means a strong personal identification. The numbers 2, 3, and 4 indicate degrees in between. *Your answers should reflect your life at present and not what you hope for in the future.* Be frank and honest with yourself.

# Spiritual Gifts Scoring Sheet

Name \_\_\_\_\_ Date \_\_\_\_\_

Transfer your answers from each of the statements on the Spiritual Gifts Questionnaire to this sheet. Then add the numbers across in each row and place the total in the column at the right. After that step, circle your two or three highest scores. This will give you a starting place to discover your spiritual gifts. These gifts will need to be confirmed by others and by your own ministry experience. It is often helpful to have a spouse or close friend take the Questionnaire *with you in mind*. You can then find out whether they see you the way you see yourself.
